## Experience

### Lead Developer - Full Time

#### Beyondedge | Hyderabad

August 2024 - July 2025

In my role as a Lead Developer at Beyondedge, I led the development of high-performance WordPress websites, ensuring top-notch quality and timely delivery. I was responsible for optimizing website speed, structure, and user experience to achieve outstanding performance metrics. My focus included implementing advanced SEO strategies to enhance search engine visibility and drive organic traffic. I collaborated with cross-functional teams to design user-friendly UI/UX solutions, staying updated with the latest web technologies and industry trends to deliver innovative and impactful results.

### WordPress Developer - Full Time

#### Recykal.com | Hyderabad

March 2023 - June 2024

In my role as a WordPress developer at my current organization, I design web pages and enhance the website's speed and structure to ensure top-notch performance. My focus includes creating a user-friendly experience UI/UX and implementing best practices for SEO to improve the website's visibility and effectiveness.

### WordPress Developer - Full Time

#### Incorpindustries.com | Pune

January 2020 - March 2023 (3 years, 3 months)

In my role as a WordPress developer at incorpindustries, I designed web pages and improved website speed and structure for optimal performance, following the best UI/UX and SEO practices. I engaged with clients to understand their requirements, tailoring websites to meet their needs. Additionally, I collaborated with the digital marketing team to ensure websites were prepared for effective tracking and various marketing initiatives.
